blackout curtains

Nox is a modern blackout curtain collection defined by its dry matte finish and textural depth. With 100% blackout functionality, it ensures complete light control while maintaining a clean, contemporary aesthetic. The collection features three unique textures that create a subtle two-tone effect, adding dimension without any sheen. Its palette of neutrals and pastels enhances the softness and versatility of the fabrics. Nox is perfect for interiors that favor understated elegance, offering a balanced combination of performance, muted tones, and a distinctly modern, tactile appeal.
